**S + H CONSTRUCTION NAMED BOSTON HOME MAGAZINE'S  
2008 BEST KITCHEN REMODELING**

*Follows the “Best of Boston” General Contractor Award Won in 2007*

**S + H Construction, Inc.** of Cambridge, Massachusetts, one of Greater Boston area's premier residential renovation and custom home building companies, is pleased to be recognized for “Best Kitchen Remodeling” in the *2008 Boston Home Magazine Awards*. This achievement follows on the heels of the company being named the 2007 “Best General Contractor” by the renowned *Best of Boston Awards* in August.

*Boston Home*, the sister publication of the venerable *Boston Magazine*, states the criteria for winning as companies in the home industry who care deeply about inventive design, economy of scale, craftsmanship and the unique lifestyles of their clients.

*Boston Home* noted about S + H Construction, “...the mill workers at S + H are true craftsmen, seemingly from another age. They thrive on executing intricate cabinetry, finished with fine hardware and smooth woods for a prize-worthy, custom-built canteen, all the while treating you with the utmost gentility.”

“It is such an honor to receive this,” states Alex Slive, co-president of S + H Construction. “It was extraordinary in August to win *Boston Magazine's* ‘best of’ award for General Contractor. Now to receive the distinction of providing the best kitchen remodeling truly acknowledges the talented and dedicated team we have here at S + H.”

A multi-award winning firm specializing in custom home building, residential renovations, and historical restorations, **S + H Construction** is located at 26 New Street in Cambridge, MA.
