**S+H CONSTRUCTION, INC. NAMED
BOSTON MAGAZINE'S 2007 *BEST OF BOSTON*
GENERAL CONTRACTOR**

S+H Construction, Inc. of Cambridge, Massachusetts, one of the Greater Boston area's premier residential renovation and custom home builders, is pleased to announce they are the recipient of *Boston Magazine's* 2007 "Best of Boston" Award for General Contractor.

Boston Magazine's "best of" judging process hunts down the city's and region's superlative offerings from the past 12 months, recognizing individuals and businesses that stand out as the absolute Best of Boston. *Boston Magazine* states about S+H, "... there's a reason you see S+H signs lining some of the Hub's priciest streets, this company does the best work, hands down, that money can buy. Equally deft in renovation and new construction, S+H employees aren't just carpenters, they're craftsmen."

"*Boston Magazine* captures the pulse on what's going on in the area so we're very pleased to be honored with their 'best of' award," says Doug Hanna, co-president of **S+H Construction**. "We credit this recognition to the exceptional team effort and integrity of our project managers, job supervisors, and master carpenters who treat every job as if it's their only one."

A multi-award winning firm specializing in custom home building, residential renovations and historical restorations in the Greater Boston area since 1979, **S+H Construction** is located at 26 New Street in Cambridge, MA.
